

St. Andrew's Glory Ridge Mission Trip July 31- August 5, 2022

About Glory Ridge Vision Statement

Glory Ridge – built on a vision from God; is a place of welcome, worship, work, prayer and simplicity where the presence of Jesus Christ heals lives and transforms communities.

“The most important aspect of this camp has never changed. It is still a place where the lost come to find God when they are tired of fighting in this world alone. It is still a place where the warrior can come to bask in the glory of God’s presence to rejuvenate. It is still a place where youth of all spiritual levels can come and fellowship; reaching out to each other unlike anywhere else.”
