

Funeral Planning at St. Andrew's Episcopal Church

The Book of Common Prayer reminds us that the funeral is an Easter liturgy, finding its meaning in Christ's resurrection and is characterized by joy, in the certainty that "neither death, nor life, nor angels, nor principalities, nor things present, nor things to come, nor powers, nor height, nor depth, nor anything else in all creation, will be able to separate us from the love of God in Christ Jesus our Lord."

As Christians, we know that death does not have the final word. The burial liturgy is a witness to your Christian life and faith. We comfort one another in our grief, we gather in community, and we proclaim Christ crucified and risen. These planning sheets are meant to serve as a guide as you begin the planning process. In the days following a death, it can often be overwhelming for family members to put the details of a funeral together. Whether death follows a long illness or a surprising accident, your loved ones will appreciate knowing your wishes. The best liturgies are celebrations that will commend the person to God and give hope to those who mourn.

It is important that the priest be informed whenever there is serious illness or death. We wish to be present with you and your family whenever possible throughout the dying and grieving process.

If you wish, a copy of these plans will be kept in a confidential file at St. Andrew's. It is not a legally binding document. May the planning of your funeral be a meaningful time of prayer and reflection.

God's peace and blessings to you,

Rev. Ginny Bain Inman, Rector

If you wish, a copy of your plans outlined on pages 3–6 of this packet will be kept in a confidential file at St. Andrew’s. This is not a legally binding document.
